Alport, Middleton and Youlgrave**

No. 166

June 2014

Footie fever ahead of 2014 Carnival

The 5 a-side football tournament, organised as a curtain-raiser for this year's Youlgrave Carnival, was held on Bank Holiday Monday and thanks to the weather was a brilliant day. There were plenty of teams and lots of support. The adults matches were won by 'QPR Reserves'. They received the trophy and will look after it for the next year – and they were also kind enough to donate their cash prize back to the Carnival fund (big thanks, guys!).

The children's team was won by 'Team Farmer Boys', but they received their medals later in the week due to a delay in them arriving from the supplier.

Thank you to all the teams who took part in the matches and thank you to all who came and supported the players and Carnival Committee – you all made it an enjoyable day.

This issue of the Bugle has this year's programme enclosed.

The winning senior team

*The triumphant junior team (both photos by
Ken Clayton)*

If you do not have one please see one of the pubs or shops. Alternatively, please visit the Youlgrave Parish website www.youlgrave.org.uk. You will find us on the Groups & Clubs page.

If you would like to help out on Carnival day, hold a stall (we are still looking for someone to run tombola this year), help marshal or clear up, then please contact us on 077451 48993 or youlgravecarnival@hotmail.com.

Many thanks
Youlgrave Carnival Committee

ALL WELCOME

Crime prevention and advice for Youlgrave residents

Tuesday 17 June, 6-8pm, top of Holywell Lane

Following recent incidents in the village, the Police will be holding a free drop-in session for residents on Tuesday 17 June between 6pm and 8pm. Come and speak confidentially to officers at the Police van parked at the top of Holywell Lane.

Crime prevention advice covers everything from vehicles to homes and gardens. You can sign up to 'Derbyshire Alert', which keeps residents aware of anything that's happening within your area, including thefts, witness appeals, bogus callers, etc. It's a free service and a bulletin is sent via email, text or a telephone call to the resident. There will also be free leaflets and booklets with security advice, plus items such as shed alarms, door chimes, letterbox covers and smart water (marking kits for items that have a number specific to the household so that if anything gets stolen and is retrieved the owner can be found).

Please drop by and have a chat.

Middleton Rocks 2014

It's that time of year again! On **Saturday 7 June** Middleton by Youlgrave will be putting on a night of live music from bands and artists from the surrounding area, accompanied by a hog roast, ice cream van and a licensed bar. All the real ales this year are being supplied by Thornbridge Brewery.

Bands on the night will include: Naked Thing, Trask, Fixxer, The Big Sur and Dead Elliott, starting from 6.30pm.

Just a word of precaution: we will be once again shutting the roads into the village square, but access to the village will still be available.

For any other inquiries please contact either 07891014274 or 07875183895.

Can someone help us?

Youlgrave Scout and Community Hall (next door to the school) is in need of an individual who would like to help us keep the front garden straight. The building is used by playgroup each morning and if the weather is fine it's great if the children can play outside on the grass. This isn't a Chelsea type garden, it just needs to be safe and the grass not too long to be mown! Some remuneration is possible and you would need to have your own mower... is there anybody out there? If you think you might be able to help us contact Anne Croasdell on 636887 to discuss details.

Harold Lowe (1929-2014)

Harold was born in Swinton, South Yorkshire, where he spent much of his life before coming to Youlgrave. His grandfather and father were butchers and ran their business from Bridge Street in Swinton. Harold joined the Royal Air Force when he was called up to do his National Service, but sadly, in 1949, Harold's father died and so Harold came back home to join his mother in running the family business.

Harold and Barbara were childhood sweethearts, meeting each other at the age of three years old. They went to the same school and church, both of them being members of the Church Choir. In 1951 Harold and Barbara married and then both worked in the family business until their son, Graham, was born in 1957.

In 1967 they bought the cottage on Moor Lane, Youlgrave. They both enjoyed walking in this area and soon joined in with the village welldressing, working with Jim Shimwell and his team, whose well stood at the top of Holywell Lane, just 20 yards from their home. They made many friends during these years, including Don Bateman. Harold had much in common with Don – a love of the surrounding area, a natural talent for DIY – and they each had a shed!

Harold really loved DIY. It was his main hobby and he enjoyed working to make the cottage the lovely home it still is today. Harold was never happier than when he was working on a project, probably involving knocking something down and then building it up again, maybe bigger, but certainly better. During this time Barbara was always the labourer, helping where she could, and clearing up after Harold as the jobs were finished.

In 1988 Harold and Barbara sold the

business and moved to Youlgrave to live in their beloved cottage. Harold became a member of the Village Hall Management Council and remained so for the rest of his life. He became firm friends with Mike Newman and Geoff Jerman, three of them tirelessly working to make the Village Hall what it is today. They led the Hall through the refurbishments, adding showers, new wiring, lighting, upgrading the stage and stage lighting, a new kitchen, passageway, new swing doors, plus a whole host of other tasks.

Harold also offered his enthusiastic help with the annual pantomime. Over the years he helped to create some wonderful stage furniture, including a washing machine which not only washed but also ironed the clothes as well! Harold and Geoff Jerman collaborated what must surely be one of the finest coaches ever used by Cinderella to go to the ball – it even had its own ramp to enable it to get onto the stage and its own electric lights which lit up the stage each

evening (and the hearts of all who saw it)!

Harold was so proud of his son Graham, who also, like his father, served in the Royal Air Force, fulfilling his 22 years, though he was worried when Graham was serving in the First Gulf War. Harold loved his daughter-in-law Caroline and adored his grandson Mark and granddaughter Clare. And of course Harold also dearly loved his wife of 63 happy years, Barbara, and delighted in the lovely time they had together, the friends they made and the love they shared.

Jan Wilson

Through the Bugle I would like to say many thanks for all the wonderful help and support, loving kindness, prayers and comfort I have received from all my friends, neighbours and family, especially Pat, Kath and Steve, Alison and Andrew, for all their help.

For Kath and Pat ferrying me back and forth to hospital so I could be with Harold. To Dee and Bob, and Barry for being there for me when I called for help. Also, the help I received from Barbara at the Surgery, the doctors and nurses for their help and compassion, it was all so appreciated.

All the cards and donations for Bowel Cancer UK so generously given – over £600 received.

To Rev Oswald Post for his comfort and kind words, prayers and lovely service. To Jan for the tribute to Harold and her friendship. Also to Andrew and Sarah from JW Mettams for all their help and kindness.

*Many thanks again,
Barbara Lowe and family*

www.youlgrave.org.uk website

The editorial group now has full control of the site and would like to hear from any groups and clubs and other bodies who wish to add their details. Our on-line access group currently comprises Mick Ashforth, Leah Brindley, Ken Clayton, Graham Elliott, Carol Fletcher and Andrew McCloy, who will be pleased to receive your contributions. We would prefer text to be emailed in Word with photos in jpg no bigger than 2Mb each – please don't embed photos in text as they need to be added separately. You can send contributions to the individuals or to info@youlgrave.org.uk. If you wish to become an online editor please contact the Administrator.

If you have events that want adding to the calendar all the editors again can do this, but we have issued access to Village Hall, Reading Room and Scout and Community Hall representatives so that events at these venues can be updated directly. If you wish your venue/pub to have direct access to the calendar please contact the Administrator for a log in: youlgraveclerk@youlgrave.org.uk

All Saints School has a South American day

Class 1 went into the dining room to see Mr Croft. Then we put on ponchos. They were very warm! After we flew to South America. It was fun!!!! We were playing wind pipes that came from South America too. **Archer Year 1**

We went into the dining room to see Mr Croft. We flew to South America and we dressed up. The clothes were called Ponchos. We had a great time in the dining room. **Oliver Year 1**

We went to see Mr Croft. Then he let us put a Poncho on. After we tried playing musical instruments. At the end we pretended to be policeman. Then we went back to the classroom. **George Year 1**

Chocolate proves a yummy topic

All the children at Youlgrave Primary School are studying 'chocolate' as part of their topic work this term. They have been finding out where chocolate comes from and how it is made. As an end of half term treat, Mrs Skinner from Peak Feast kindly

donated two very large chocolate cakes for the children to try out! Both chocolate cakes were thoroughly enjoyed by all the children and staff. A big thank you!

"We will remember them"

On 9 May all the children from Youlgrave Primary school visited All Saints' Church to spread poppy seeds. The children went across in their classes and met up with members of the British Legion to spread the poppy seeds around the church yard for the 100th anniversary of World War 1.

The school gardening club has also planted some poppy seeds in the school garden.

We would like to say a big thank you to the members of the church and the British Legion who came into school to talk to the children about World War I and for organising the planting of the seeds.

Four defibs now installed and operational

The Parish Council's appeal to raise funds for a community defibrillator, potentially life-saving equipment for victims of sudden cardiac arrest, has now topped £11,400. As a result, four units have been purchased, installed and are now up and running. Thank you to everyone for such a fantastic response! The four locations are:

- Alport phone box
- Youlgrave Garage (outside wall)
- Farmyard Inn (outside wall, by car park steps)
- No 25 Mawstone Lane (publicly accessible outside wall of private house)

Youlgrave Parish Councillors at the Alport Lane phone box, owned by the Council and now housing one of the four defibrillators.

Thank you to all the generous donors

And special thanks to Keith and Karen Shimwell for allowing a defib unit to be attached to the outside wall of their house for the public to use in an emergency.

The total so far raised is £11,411.12. We have in funds £3,318.13 towards maintenance and eventual replacement (a new unit currently costs £985).

If someone collapses, follow these instructions

ADDITIONAL COMPRESSION/BREATHING INFORMATION

- ♥ Give 30 compressions at a rate of 100-120 per minute and then give 2 breaths.
- ♥ Repeat 30 compressions and 2 breaths sequence.
- ♥ If you are unable or unwilling to give rescue breaths just do the compressions continuously.
- ♥ Continue until help arrives, you are too tired to continue, or the casualty starts breathing normally again.

FOR AN ADULT USE 2 HANDS & COMPRESS 5-6 cm
FOR A CHILD USE 1 HAND & COMPRESS 1/3 CHEST DEPTH
FOR AN INFANT USE 2 FINGERS & COMPRESS 1/3 CHEST DEPTH

Get it!

Get someone to fetch the defibrillator. The ambulance service will tell you the code to get into the cabinet.

Cut off!

Use scissors to cut off clothing. Expose the casualty's chest.

Tear open!

Open the defibrillator. Lift the pre connected package from the lid and tear it open along the dotted line. Take out the pads.

Stick!

Attach the pads to bare skin as shown.

Listen!

Follow the instructions the defibrillator gives you.

Anyone for walkies?

Some time ago I heard a radio program about a woman who had set up a website for dog-walking. She had realised that there were a lot of people who didn't own a dog who would really like to have 'dog contact' and occasionally walk a dog. In some cases, they had previously owned a dog and in others they were unable to make a commitment to dog ownership because of their circumstances, age etc. On the other hand, dog owners can find themselves frantically looking for someone to walk their dog because a work commitment, illness, family problems have made walking the dog impossible.

Two years ago I had an illness and found myself unable to walk my collie. Several people in the village came to my rescue and my dog never went without her daily walks. Sadly since then she has died and in spite of our wonderful countryside, walks without a dog are a much bleaker experience. Recently I have started walking Jake – an amiable very well behaved Staffordshire bull terrier. His owner, a women with four children under 6 – one with a disability – is rarely able to take him for walks. So Jake and I now walk regularly – much to his obvious delight. I know several people in the village who are ex-dog owners which makes me wonder whether they too could be interested in occasional dog walking? Perhaps we could set up a simple phone chain for dog-owners, dog walkers to join? We could also back it up on line.

Walking Jake has made a difference to the quality of life for him, his owner – and of course me. If you are interested in this idea, call or email me: 636189 maggie@springrites.co.uk
Maggie

W.I. 'A' Team conquers all (well, came a proud third)

The Youlgrave W.I. 'A' Team lived up to its name at the recent Regional Quiz in Buxton, coming a proud third, with team 'B' also making a sterling effort and all enjoying the challenging event.

The May meeting was busy, with the annual Resolution (to increase usage of Donor cards) being passed by members' votes. Additionally, a Tai Chi demonstration introduced standing or sitting movements to relax into the sequences.

May Supper Club was a fun evening of creating dragonflies, with a few expletives also flying as the well-attended group toyed with beads, bugles and kinky wire. Many thanks to Sandra, Joan and Jean for a mouth-watering finger buffet too.

Craft Group will meet, usually at Annie's, at 2pm on Mondays 2 and 16 June, and all are welcome. Annie recently created a

The W.I. 'A' Team at work

beautifully embroidered Youlgrave Fountain in a triangle for the Derbyshire house communal bunting, as it is 40 years since the purchase of the headquarters.

The Book Group continues its success; and on our current W.I. programme we have trips, teas, talons and tipples to come this summer.

Our meeting on Tuesday 10 June at 7.30pm will be at the Methodist Chapel, and an opportunity to hear an experienced Sheffield traveller showing and speaking about his fundraising Himalayan trip. The competition is to bring an Asian Curiosity. June Supper Club will be on the 26th at the Reading Room, with a traditional English 'afternoon' tea and a tea merchant's talk to look forward to.

Looking ahead, the July meeting welcomes a speaker from the Air Ambulance organisation.

Despite a break in August, we will still enjoy a day at Renishaw Hall, a winery Supper club, pre-bookable Falconry and food, and possibly a Summer walk again.

If you would like to know more about us and our W.I., do come along to a meeting as a visitor and you will be very welcome.

Liz Hickman

Church Farm Diary, June 2014

The silly season has started. The 'S' is for silageing, so we don't see very much of Dakin as he is very busy harvesting on other farms as well as his own. Some farmers prefer chopped silage and others prefer big bales, depending on the way that they farm. Dakin has a baler that makes the bales and then wraps them all in one action, called a Fusion, and the chopper is for loose silage that is put into a pit then covered to ferment.

The crops are very good because of the wet, warm weather we had last month. We haven't started our silage yet as Dakin doesn't use fertilizers, just manure, so the grass has a bit longer to grow, and if you cut it too soon the sugar content and starch have not had time to develop. This is important to the quality of the silage and therefore the growth of the cattle.

All the suckler cows and calves are out to grass, so there is only the young store cattle left in the shed to feed and clean out and check every day. The next job, when they have time, is to clean the sheds out, getting rid of all the germs before the cattle come in again in the autumn. This is done by a pressure washer that is run from the power shaft on the rear of the tractor.

Marjorie Shimwell

Mathilda Cake

This month's recipe is Dorothy Gregory's Mathilda Cake. Dorothy was my Mum's cousin and lived in Middleton at Kings Croft.

Ingredients

5oz butter
3 oz sugar
7 oz S.R. flour
3 oz sultanas
3 oz glaze cherries
1 tbsp Golden syrup

Method

Warm the butter, sugar and syrup in a pan, add fruit and flour and mix well.
Spread in a swiss roll tin and bake at 350 for about ½ hour or until brown on top.
Cut into slices when cool.

Zumba with David

Fantastic exercise to brilliant music

'But I can't dance' Don't worry!

'I've got two left feet' It just doesn't matter!

Just come along and have fun!

Youlgrave Parish Council report

The Annual Meeting of the Parish Council on 20 May commenced with the election of Brian Wardle as Chair for a second year and welcomed Graham Elliott as Vice-Chair. Council is currently running with only 8 members and will be co-opting to fill these at the start of the June meeting. Any applications should be received by the clerk no later than 9 June – please supply a short statement with your background which will be circulated to councillors who will vote by ballot to elect the replacements to serve until May 2015 when local elections are held.

The main business saw two planning applications approved, chasing of Highways to complete promised repairs, nomination of representatives of village bodies and management decisions on our growing village asset base. The annual accounts have been internally audited and were signed off by the chair and clerk.

Our next meeting is on 24 June at 7.15pm in the Committee Room, Youlgrave Village Hall. *Matthew Lovell, Clerk*

Granby House, Youlgrave

Do you live on your own and feel the need for more company and support, but don't want a care home?

At Granby House you can be as independent as you want. You can eat meals cooked by the staff, go on the many social events and treat your en-suite room as you would your own home. All rooms are connected to an alarm system and help can be summoned at any time of day or night.

If more assistance is needed, home help can be arranged. Financial support is available in the same way as it is in a private house. The weekly costs can be surprisingly modest.

If you are interested in hearing more about Granby House, please ring Pat Cleaver on 01629 636836 or email granbyhouse@gmail.com.

THE YOULGRAVE VILLAGE TABLE TOP SALE TRAIL

On Sunday 13 July from 9am – 2pm.

Just £1.00 on the day for a trail guide and admission sticker. Garage and table sales throughout the village. Refreshments at The Reading Room. Proceeds for mother and child health projects in Sierra Leone.

Promoted by Youlgrave-Bangbutt Village Link www.youlgravebangbutt.org.

BANGBUTT NEWS: Another very big THANK YOU from the Youlgrave-Bangbutt Village Link team to villagers and visitors. Thanks to your generous support for our recent Bangbutt Breakfast Bistro we raised £551.00 for our projects in Sierra Leone. You came, we cooked, you ate and what you paid means that we can continue to help fund the work of Health Poverty Action in training and equipping Maternal Health Promoters to work with pregnant women, and nursing mothers, in a country where the infant mortality rate is one of the worst in the world. We shall also use some of the proceeds to make a further donation to the fistula repair unit of The Aberdeen Women's Centre, which helps repair obstetric damage caused in childbirth which, as well as causing great suffering, can lead to women being ostracised by their communities. So, again, thank you to all, including committee members and helpers who slaved over a hot stove!

TABLE TOP SALE TRAIL: It's back! The Youlgrave-Bangbutt Village Link Table Top Sale Trail may not be the biggest charity event in the county, but it can certainly stake a claim for being the one with the longest title. Once again, the Bangbutt team will be encouraging you to turn the village into a bargain hunters' paradise. The trail will take place from 9am to 2pm on Sunday 13 July. Detailed information for people wishing to sell from their tables or garages will be included in a letter to be delivered to every house in the village early in June.

NB CHANGE OF DATE AND VENUE: The All Day Café advertised for Sunday 21 September will not now take place. Refreshments will be on sale, though, at a Café In The Reading Room between 11am and 3pm on Sun 10 August.

And finally, we correspond with Kadi, a Maternal Health Promoter in Fintonia village. She sent us this lovely photograph (see right) of her group of MHPs wearing wet weather gear which we were able to provide thanks to your generosity.

Youlgrave Wildlife Notes: May 2014

Spring has really arrived with lots of bird and flower activity. Birds of prey have been well reported with a peregrine chasing a jackdaw on 29th April, a sparrowhawk sitting on our bird feeder on 1st May, a red kite between Bradford and Alport and displaying kestrels over the New Dam on the 11th. A partly dissected pigeon would also suggest peregrine activity.

Bird breeding has been in full swing with swallows nesting at Middleton, robin and chaffinch chicks and blue tits feeding young in a bird box down Holywell. A family of mandarin ducks was seen on the top dam on the 10th. A dipper with a young chick was seen on the 6th. The blue tit featured

in the last article is now feeding its chicks almost non-stop right outside our kitchen window. I first saw swifts on the 5th and they are now active over the Dale and around their nest sites. Coots and mallards have lots of chicks, though the tufted ducks, still present at the beginning of the month, seem to have departed without breeding. Hopefully the grey wagtails have also bred. Other bird sightings include a blackcap down Holywell Lane.

Lots of slow worms with young have been seen on Bankside and Spring Lane. Slow worms produce live young rather than eggs. Water voles were seen on the 6th. The spell of warm weather seems to have excited some rams who were head butting and grunting "like stags in rut" on the 11th.

There was a good hatch of mayflies on the 24th, giving both the trout and a coot

a good meal as they bounced and settled on the water to lay their eggs.

The warm weather followed by lots of rain has produced tremendous plant growth. The fields, which have been yellow with dandelions have turned white with the seed heads and are now turning yellow again with buttercups. Elder and hawthorn are well in bloom, quite early. I

Water crowfoot on the River Bradford.

think. A walk round the village on the 24th found no fewer than 65 species in bloom (list available on request by email). The earlier leadwort, alpine pennycress, is now mainly producing its heart shaped seed pods and the long flowering spring sandwort is now showing nicely around licky picky

and other lead spoil heaps. The orchid, twayblade, is just coming into flower beside the Dale path, though the common spotted orchids down there are still only in leaf. There were five plants from the buttercup family, meadow, creeping, bulbous, goldilocks and the water crowfoot which is turning the surface of the river white at the moment.

My thanks to my contributors for this month: Simon, Andy, Gloria and Maggie for their invaluable sightings which add so much to our appreciation of the wealth of wildlife around the village.

All observations very welcome, and I would appreciate information about house martins as I don't seem to have seen many recently.
