New conductor and banner for the Band

Youlgrave Silver Band played their first performance of the year at Buxton Pavilion park bandstand on Sunday 17 April. We displayed our new banner to the crowds and gave an impressive performance, despite the cold.

The New Year had started with great enthusiasm, and with the unexpected profit from last year's concerts we bought some new music and stands. Our AGM was held in March and produced a change of treasurer. Unfortunately

our conductor then resigned, but fortunately we are lucky enough to have Ian Wildgoose from Bakewell to take over the job, and so far it is proving to be a delightful situation.

We would love you to come to our next performance on **Thursday 19 May** at 7pm in the Methodist Church, Youlgrave.

The Junior band is progressing well and will perform their new pieces. It's conducted by Helen Mellor and led by Harry Houghton, who has just been

Youlgrave Silver Band at Buxton last month.

awarded a grade 4 merit, a high exam achievement at only 10 years old.

Refreshments (which are always so wonderful!) will be served following the music. Please come and support us and listen to our new music.

And if you feel inspired to take up an instrument, or you are new to the area and already play, please join us on a Thursday evening, 7.30pm at the Methodist Church Hall in Youlgrave.

VILLAGE NOTICEBOARD

Christian Aid Week, 15-21 May

Special Service at the Methodist Church on Sunday 8 May at 10.30 am, followed by lunch in their School Room. For newcomers, this is a friendly, chatty, informal event, sharing soup and rolls and delicious desserts, in good company and yet remembering those who have nothing much to eat or perhaps only a small bowl of rice once a day, if they are lucky. If you can offer a dessert dish please bring it along to the lunch.

During the week of 15-21 May about 24 helpers will be doing house-to-house collections round the local villages and farms. This year's donations are going to help families who suffered in the floods in Bangladesh, so please be as generous as you can be. And don't forget the Christian Aid **Coffee Morning** on Saturday 14 May in the Reading Room, 10-12 noon. Please take bric a brac, plants, etc, to 14 Westcroft Close or ring Eileen (630020) and bring cakes to sell on the day. Thank you.

Welcome to your village bakery

Peak Feast is the village bakery and is situated at the bottom of Moor Lane (just behind The Fountain, opposite The Bulls Head). The shop has a great range of handmade cakes, chocolate brownies, flapjacks, biscuits and much more, all available to take home either by the slice, or you can order a whole cake. Their signature dish, the Peak Feast Homity Pie, is baked fresh every day, and is a regular favourite for many locals and visitors alike. You can also choose from their range of luxury ready meals.

Peak Feast also sell fabulous cheeses, many of which are local - Hartington Stilton, Dovedale Blue and Hartington Bomber to name a few, which all sit nicely with Peak Feast's own range of tasty chutneys, and a great choice of crackers from Cartwright & Butler.

A selection of fresh bread is delivered daily from Jacksons, all of which have been taste tested and approved by owner Dawn Skinner who says "Quality is very important to Peak Feast. All of the groceries we stock that are not produced by us have to be top notch and justify the space on our shelves."

PEAK FEAST
flavours you'll never forget

Working alongside Dawn are three local women - Trudy, Rachel & Hannah - all of whom will give you a cheery greeting and the personal touch you want from your local shop. Peak Feast is open weekdays 8.30am-5pm and Saturdays 8.30am-12.30pm.

National cycle race to pass through Youlgrave in June

The Aviva Women's Cycle Tour is not only coming to Derbyshire next month, but will be sweeping through the centre of Youlgrave! On Friday 17 June, Stage 3 of the prestigious national race will depart Ashbourne at 10.45am then wind its way through Earl Sterndale, Flagg and Monyash before reaching Youlgrave. Afterwards it will go on to Winster, Darley Bridge, Matlock, Beeley and Baslow, before finishing at Chesterfield. The stage is 112km (70 miles) long and involves around 2,000m of climbing (6,500ft). Detailed timings will be released nearer the date, but for more information now go to

www.womenstour.co.uk/home.php.

The District Council is keen to support the race and is offering grants of up to £100 to local businesses and community groups to assist with the staging of events or activities to welcome and promote the cycling event (see www.derbyshiredales.gov.uk/things-to-do/whats-on/aviva-women-s-tour).

Also during the weekend 17-19 June, the 3-day lifestyle and cycling festival Eroica Britannia will be returning to Bakewell for a third year. See www.eroicabritannia.co.uk.

Come along and enjoy Middleton-by-Youlgrave Well Dressing and Market Day, Saturday 28 May

By the time you are reading this, the Middleton well boards will be in the sheepwash, getting a good soaking ready for claying. For the well dressing this year we will again be supporting beginners to this traditional skill, making it easy for anyone (no previous experience required) to come and help when they can. Middleton residents are particularly encouraged to come along to the playground shed to help in any free moments during the week starting 22nd May. The shed is lit at night to encourage evening helpers.

Again the market will have the famous plant stalls selling flower and vegetable plants and hanging baskets, all grown by John Warren in the village. The market will also feature the usual attractions: stalls, food and activities for all including children's games and a bouncy castle. Tea and cakes will be served in the village hall.

All profits from the stalls help to bolster village funds, the majority of which go to maintenance of the playground and village hall and to fund village events. Donations for the well dressing this year will go to Buxton Mountain Rescue.

The plant stall and teas in the village hall carry on through the extended weekend and the well dressing will remain up until after Middleton Rocks on 4 June (another date for your diary!). If you have any questions please call Joe Watmore on 01629 636338.

Thank you from the Parker family

Dear Editor

I am writing to thank the people of Youlgrave for all they did in the search for my Grandfather, Michael Gibbs, who went missing on 29th March.

My family and I cannot find the words to express just how grateful we are for all the help that we have received and all of the kind gestures that were given to the rescue services to enable them work so effectively. Also, thank you for the mountains of cards and flowers my family has received. We have found this truly overwhelming and a great comfort knowing that we have so many friends who have helped us through this the

most difficult of times.

Up until seven years ago I had lived in Youlgrave all of my life and I have never seen the community pull together like they did for those two days. It gave me a great sense of pride to come from this village seeing too many people to name, old faces and new, putting their lives on hold and coming out to search for my Granddad. We as a family are in debt to each and every one of you and we will forever be thankful for all that you did.

Yours sincerely

James Parker

Garden and Allotment Forum

The next date for you diary is Saturday 20 May, 9-12am, in the Village Hall Community Room.

- Plant and seedling sale – sell off your surplus
- Magazine swap
- Display Board for your important information

This will be a regular Bugle column to share answers to questions, advice from the experienced, hints and tips from everyone. Contributions please to jeni.edwards69@gmail.com or phone 01629 636550.

Would you use an on-line Garden and Allotment Forum for the village? And if so, is anyone willing to run it?

How about this for a useful idea? Youlgrave is rarely free from frost through May, but some seedlings have to be planted out in order to get the right length of growing season. Cold frames and cloches are great but can be limiting. What about seedlings that are going to grow tall? Last year I chopped the bottom off 2 ltr water bottles and put one over each sweet corn seedling (see photo). They were held in place by a piece of cane through the hole at the top. It seemed to do the trick. The bottles can also be used to encourage cuttings, etc, on the windowsill.

Youlgrave Parish Council Chairman's Annual Report

The past year has been a busy and productive time for the Parish Council, where we have continued to work for the benefit of all residents of the Parish. The Precept (the levy charged by the Parish Council for services in the village included in your Council Tax) is again unchanged whilst maintaining our commitment to the parish.

The assets managed by the Parish Council are inspected and reviewed on a yearly basis and suggestions from residents are discussed:

1. The Queen Elizabeth II Playing Fields (Alport Lane): This area is used by the Football, Cricket and Bowls Clubs and by Youlgrave School and Youlgrave Carnival on an organised basis; as well as being used throughout the seasons as a safe play area for village children and visitors alike. A number of improvements have been carried out to enhance the experience of users of this valuable facility. An access path from the parking area to the pavilion has been extended to the bowling green and the children's play area; provision of a shelter with seating adjacent to the multi-use games area; provision of a secure store for the football club's use; replacement of toddler swings; creation of a new BMX trail below the children's play area, thanks to generous support from Hope Construction Materials and to the children of Youlgrave School who first suggested the idea. We are hoping to provide further facilities at Alport Lane, including a trim trail for adult users and possibly use of lighting for the multi-games area, subject to funding.

2. Coldwell End Play Area and Car Park This provides a play area for the younger children from the top end of the village and for the children of visitors. The car park provides valuable off road

parking and the honesty box contributions continue to show how much the users appreciate this asset. We are hoping to improve the facilities at this site, bringing it into the 21st Century, subject to planning permission being granted.

3. Coldwell End Allotments

These allotments are very popular and a source of income for the Parish Council.

4. Holywell Lane Toilet Block

This was taken over from Derbyshire Dales District Council with provision of a grant and it has been refurbished and provides a source of income from the honesty box.

Other activities carried out have included: return of a new bench seat at the Fountain in its original east-facing aspect; continued support of Bakewell and Eyam Community Transport, which provides an excellent service to many elderly and disabled residents who would find it difficult to travel to towns in the area; funding of summer mowing in Youlgrave Churchyard; planting of an Oak tree sapling (presented to the village by the Royal Park at Windsor to celebrate Her Majesty's Diamond Jubilee) at Alport Lane Playing Fields.

Over the past year we have been frustrated by a number of issues beyond our direct control, but nevertheless we have made strong representations on your behalf. These have included the withdrawal of the recycling facility at Coldwell End by the District Council and the reluctance of Derbyshire County Council (DCC) to respond to our requests for improved signage near Hawley's Bridge. At the moment, the drivers of HGVs approaching the sign are unable to reverse and have to travel through Alport and Youlgrave. We are

all well aware of the budget cuts which have had to be made in local government, but if DCC have savings in mind the cost of high visibility weight restriction and diversion signs on the B5056 will be much less than repairing the damage done to the highway and to Youlgrave Waterworks' infrastructure.

Finally, on a somewhat negative note, I am sorry that I have to report cases of vandalism (Alport Lane toilets) and arson (Holywell Lane toilets) during the year. Parishioners should be aware that the Parish Council cannot keep the precept unchanged or provide worthwhile improvements when funds have to be diverted to pay for repairs caused by this antisocial behaviour.

Caitlin's athletic feat raises £600 for Sport Relief

Congratulations to Youlgrave's Caitlin McCloy who last month completed a 'mini triathlon' and raised £600 through local sponsorship for Sport Relief. The three events, which took place one after the other

day, saw her swim 1km (50 lengths) at Bakewell Swimming Pool; then run 5km along the Monsal Trail to Hassop Station; then cycle 10km further along the trail to its western end. For the run and bike ride she was accompanied by her Mum and Dad, but the swim she completed solo. Thank you to everyone who generously sponsored her – and well done, Caitlin!

Entertainment Tax

From Monday next all classes of public entertainment will cost more due to the new Entertainment Tax - so ran the headline in the 12th May 1916 edition of the Derbyshire Advertiser. At local picture houses children's tickets will increase from 1 1/2d to 2d and the fourpenny and sixpenny pictures will have to pay 1d extra. Theatre, music halls, cinemas, concerts, exhibitions, race meetings, sports and football matches will all be affected.

(At The Hippodrome, Derby, the forthcoming attraction was 'Ducks & Quacks' - a new musical review with full London cast, beautiful scenery and dresses.)

'Be on Your Guard!'

St George's Day Spring Fair fund-raising success

Youlgrave All Saints School Association (YASSA) would like to thank everyone who supported our recent St George's Day Spring Fair. All the money raised helps provide extra curricular activities for the children that make learning fun. Thank you!

Planting seeds and learning how things grow

Class 1 and 2 have been growing some delicious cress, radish and lettuce for their topic on The Secret Garden. We have been doing this because we are learning how things grow and how to look after seeds. Tyler from Class 2 told us that he enjoys planting seeds because you can eat them once they have grown. The seeds are growing well because we have watered them a lot and they have been left beside a window where there is lots of sunlight.

Oliver from Class 1 told us that he enjoyed it because he loved making the holes in the soil and watching the seeds grow high and Georgia liked planting the seeds because she thought it was fun and enjoyable.

One of the highlight's at last month's Fair was the maypole dancing display by the children. Boys and girls of all ages, from across the school, gave a really impressive performance that showed skill as well great energy. The maypole, plus the maypole books and music, were donated by Youlgrave Carnival Committee out of the proceeds from last year's village event – so a massive THANK YOU to them. If you missed the maypole dancing, then look out for it again at this year's Youlgrave Carnival on Saturday 9 July.

Church Farm Diary, May 2016

After a wet winter Dakin is able to get on the ground again, ploughing, discing, seeding, etc. Everything happens at once so he is very busy, but at least the milking is going smoothly with the help of Sarah and family. However, there's still the worry about the price of milk, and there will be a lot of farmers selling up their farms... it breaks my heart to hear of this.

Farming is a different industry to any other. I don't think people realise the work that goes into farming, whether it is arable or stock. You never seem to finish, either manual or paperwork – it is certainly not a 9 till 5 occupation, but when you have grown up in it you know no different. I would not have liked to do anything else.

Market days are always enjoyable (as long as the price is right!) as there's a buzz meeting up with friends and acquaintances, having a good moan and a laugh over a bacon cob and coffee. I have always taken my children from babies, so they all know how to judge a beast and to sell in the ring. They always liked to hold the luck money, a tradition, but you also know where the cattle have come from when the owner presents themselves in the box with the auctioneer.

I used to go to Hope and Leek markets to buy young stores, then sell the stores on to Bakewell market as they would always make a better price there. Hope market is now closed and houses have been built on the ground, but Leek is going well and is the best place to buy milk cow's in this area.

It is lovely to see the flowers coming out and the days longer – even though that means more work!

When I was 9 years old our class at Youlgrave school were all invited to write to pupils at a school in Hong Kong. I was still in contact with my pen friend, Wing Wah, and her sister Viola (who sadly died of cancer) up until the 1990s. When China took over Hong Kong in 1998, Wing Wah lost contact with me. I was sent many lovely presents, including a recipe book which had English translations, so this recipe is from that book. On the cover it reads "To Dear Marjorie from Viola 28-4-83".

RECIPE OF THE MONTH

Sweet and Sour Sliced Chicken

INGREDIENTS (serves 4)

320g chicken wings (I sometimes use chicken breasts)
3 chicken eggs
1 celery
1 tablespoon chopped onions
Seasoning:
½ tablespoon wine
1/3 teaspoon salt
Sweet and Sour sauce:
3 tablespoon tomato sauce
2 tablespoon sugar
1 tablespoon vinegar
½ teaspoon salt
4 tablespoon water
1 teaspoon cornstarch

METHOD

Cut the chicken into thick slices, mix well with the seasoning and marinade until seasoned, then beat the eggs and stir well. Add a dash of corn starch to mix well and scald the chicken in hot oil until tenderly cooked. Take the slices out and drain. Remove the vein from the celery and slice into slanting pieces and rinse in water for use. Heating 2 tablespoons of oil in a clean pot, sauté the chopped onions and celery in turn, and pour in the sweet and sour sauté. When it is brought to the boil put in the chicken, put out the fire, stir well and serve on a plate. (This is how it has been translated.)

News from 100 Years Ago: Summer Time Act 1916: 'Daylight Saving Time - making better use of daylight and saving energy' was an idea championed in Britain by builder William Willetts of Orpington. His wanted to move the clocks forward by 80 minutes in 20 minute weekly steps on Sundays in April, and by the reverse procedure in September. But this was changed to just a one hour increase and decrease. On 21 May 1916 at 02.00 hrs the clocks were advanced by one hour to 03.00hrs. And on 1 October 1916 at 02.00hrs the hour was retracted over the winter months. (In Petts Wood, Orpington, Kent, is a Grade 2 listed pub, built in 1935, called 'The Daylight Inn' in tribute to Mr Willetts, who incidentally is the Great Great Grandfather of Coldplay musician Chris Martin!)

A right royal 'do' at the W.I.

A right royal 'do' for our W.I. and guests from five other groups took place on April 28th. The Hall was be-decked in suitable style and members wore garden party outfits in defiance of the hailstorm! The brilliant organisational team behind the meal of salmon and trifle deserved, and has received, much praise and thanks. Winner of the themed hat competition was our own Sheila Pryor, of whom we are very proud, and Lucy's team also won the quiz

Our guest speaker was Alastair Sneddon, a local Agricultural Auctioneer who worked his way up from Chatsworth to achieving 35 years of experience of land and livestock estate sales and management, including the sale of porcupines! His friendly, informative style led to several questions, and his humorous tales had us all applauding his part in another successful evening.

In April we also enjoyed an outing to the Superbowl with good refreshments – well done Cath Jones for rolling up as winner!

The very popular Bunny drive also raised a good sum for the School and pre-school – well done to all who helped with the event.

The April meeting was busy with a wonderful talk and demonstration on wool, spinning, carding, and creating from the two speakers' well-loved herd, and we also had a visit from a representative of Adult Education classes our area.

Book Club is still thriving, and Craft Group will meet on May 2nd and 16th at the Village Hall Community Room at 2pm; all are welcome to this group. Supper Club for May is on Tuesday 17th May at the Reading Room. Hanging baskets and shared supper will be a popular event.

The May meeting, on Tuesday 10th, will be our important annual Resolutions night, which many of our newer members will be attending for the first time.

News from 100 years ago: Derby Hay & Straw Markets:

At the early May 1916 markets there was no best hay on offer, the Government having taken over all stocks of hay, wheat, and oat straw. (For those interested in horse paintings from the Great War look out for those of Lucy Kemp-Welch, such as 'The Straw Ride' (IWM); 'The Ladies' Army Remount Depot, Russley Park, Wiltshire, 1918' (IWM) and 'Forward the Guns'.)

Youlgrave Wildlife Notes: April 2016

Spring has really arrived with many of the summer visitor birds now in the village. The first swallows were early this year on 25th March and are now being seen regularly. House martins were reported on 2nd April but I had to wait until the 21st to see some over the garden. Curlews and lapwings have been flying over the village and seen in surrounding fields. The only warbler I've seen locally so far has been chiffchaff. There has been one singing down Holywell Lane and on the coach road since the 3rd. While not really summer visitors, siskins are still showing up on feeders and in my bird bath and a reed bunting was seen at Alport on the 1st.

The first redstart for the year was reported on the 23rd above the village and a linnet was seen at the bottom of Moor Lane on the 23rd. Woodpeckers are drumming regularly in the Dale and visiting feeders. In the Dale, dippers have now been seen regularly in pairs. Along with grey wagtails, pied wagtails have been seen in the Dale but no recent reports of dabchicks or kingfishers. Tits are investigating bird boxes in the garden and blackbirds and sparrows have been carrying nest materials. Magpies have been nesting below the village. A great crested grebe was an unusual visitor to the New Dam along with mandarin ducks. Kestrels have been seen regularly near the pack horse bridge and a sparrowhawk has paid occasional visits to the garden, but the star was a peregrine quite close to the village. All the garden birds seem to

Baby slow worm.

be doing well and a goldcrest was seen on Grove Place on the 23rd.

On the 20th and 21st I saw orange tip butterflies in the village. Slow worms down the Bank have started giving birth to their tiny bronze-coloured babies.

My pre-writing walk, between snow showers on the 29th, found 34 species of wildflowers in bloom. Icky Picky provided the most interesting. There were both the nationally rare alpine pennycress and the more common but rather pretty meadow saxifrage on the spoil heaps on the river side of the track. Yellow lesser celandine and white hairy bittercress were very common and the cowslips below the playing field and the kingcups in the river

were looking very fine.

The wind defeated my attempts to hear if any new warblers had arrived, but the great crested grebe was still on the New Dam and there were a few swallows about. In the evening I saw my first Youlgrave swift of the year high over the Dale. I had seen some at Carsington the previous weekend, so they should be arriving at their nesting sites in the village quite soon. Dates for their arrival would be much appreciated.

My thanks to all correspondents: Keith, Peter, Margaret, Jon, Ruth G, Ruth L, John, Simon, Cath, Mick and Maggie, and please keep the reports coming in.

Put it in your diary! Youlgrave Carnival, Saturday 9th July 2016

Yes, folks! It's that time of year again... time to sort out the fancy dress and floats for this year's carnival. As always, we aim for this year to be bigger and better than the last, so put Saturday 9 July in your diaries now!

Firstly, this year we would like to decorate the village with the normal bunting – however, we want *lots* of it! So, we need to get higher on the houses on the main route through the village, so that high vehicles cannot destroy it. We have some volunteers willing to help, but we need your permission to attach supports in the form of hooks, poles or brackets to the houses along the main route. This will obviously not be undertaken without your express permission and will be undertaken in a professional and responsible way, so could those houses affected confirm you're OK for us to do this by emailing us at youlgravecarnival@hotmail.com.

We will also confirm with each home owner at the time of putting the bunting up.

As always, any offers of help or suggestions are welcome! We will be kicking the weekend off with the kids disco on Friday 8 July from 6pm, with disco and refreshments in the large marquee on the playing field.

On Saturday, we have some exciting new activities for the kids, with go karts a climbing wall and our traditional sand pit, amongst many other great things to keep the family busy throughout the day. Once again, we will be entertained by Youlgrave School children undertaking their maypole dance and Youlgrave Brownies will again be taking care of refreshments in the marquee (as they did such a great job last year). As well as the usual fair rides, there will be a performance from Youlgrave Silver Band; and also back by popular demand are the

caterers - New Close Farm!

We hope after the procession that you will join us back on the field to carry on the celebrations. Previously the evening's entertainment has taken place in the pubs, but this year it will be in the marquee on the field with a disco, which children are welcome to attend (strictly supervised) until 9pm. After that there will be live music from local band Affliction, playing a diverse mix of great music. A bar and food will be available throughout the day/night.

We would like to thank everyone who has helped in any way, attended Carnival or donated time, money or prizes. Our main aim is to put money back into the village community and local clubs or good causes. For example, this year we have been able to donate to various outings and worthy causes as follows:

Youlgrave School - maypole, maypole books and music (see photo on page 14). Youlgrave Day Centre (Monday Club) - Christmas meal. Youlgrave Pre-school - Santa's Christmas Sack. Youlgrave Scouts - monetary donation. Duke of Edinburgh - monetary donation. Youlgrave Brownies - monetary donation. We are also in the process of arranging with Youlgrave Parish Council for the repair of the bench at the top of the Church steps.

All this can only happen if you, as Youlgrave residents, continue to support your village carnival. Let's continue to make our carnival celebrations a great day for all the family, whilst bringing the community together. We welcome your input and suggestions or ideas how we can improve.

Keep your eyes peeled for further information for 9th July!
